

GYM FLOOR RESOURCE

Dust Defender® Microfiber Gym Mop System #G-DDV60 & #G-DDV72

- **Dust Defender®** features dust attraction technology
- Available in either 60" or 72" length
- Captures the fine dust and grit particles
- Attracts 3 times more dust than traditional mop
- No dust mop treatments necessary

Dust Mop an entire basketball court in 10 minutes using microfiber cleaning technology. The mop removes dust and fine particles that scratch your gym floor finish. Mop heads are machine washable and are attached with **Velcro®** tabs, so they are easy to remove and replace with a clean head. **No more excuses for using dirty mop heads!** Additional heads sold separately.

Comes Complete with:

- 1 - 60" or 72" Microfiber Dust Defender Mop Head
- 1 - 60" or 72" Connector & Base Assembly
- 1 - 56" Yellow Fiberglass Handle
- 1 - Mesh Laundry Bag

Instructions for use:

1. Attach mop heads to Velcro® tabs on mop base.
2. Push mop up and down playing court.
3. Shake dust and grit particles out.
4. Use brush or vacuum to remove dirt and dust.
5. **Launder separately without fabric softener.**
6. Laundry bag included.
