

HALF-TIME Sport Floor Cleaner Directions

Note: Do not pour **HALF-TIME Cleaner** directly on the wood floor. Excess liquid on any hardwood floor may damage the fibers.

FOR USE ON WOOD SPORT FLOORS

HALF-TIME Wood Sport Floor Cleaner is designed for daily cleaning maintenance and before competitive play. **HALF-TIME** helps remove body oils, perspiration, saliva and most foodstuff spills without leaving a residue. **HALF-TIME** Wood Sport Floor Cleaner has been designed to work with the **Tac-Tite Speed Mop System** and the **CourtClean Unit**.

.

Always use clean bucket and wringer with non marking wheels.

- Immerse **CourtClean Towels** or **Tac-Tite Speed Mop Heads** and wring out. **Do not leave standing water on floor!**
- **Tac-Tite Speed Mop System:** 8:1 Mix Ratio (1 quart of **HALF-TIME** to 2 gallons of water)
- **CourtClean Unit** 8:1 Mix Ratio (1 quart of **HALF-TIME** to 2 gallons of water)
- Rotate towels and mops often. Empty bucket and mix fresh solution when bucket water becomes dirty
